

2Faced Dance Company

New Board members wanted

2Faced Dance is seeking new board members to support the organisation as it moves into a new phase of development and expansion. After a successful bid to Arts Council England, 2Faced Dance is set to become a National Portfolio Organisation in April 2012. We are now seeking individuals with leadership qualities, business skills, artistic expertise and energy to support our aspirations and developments as we move into an exciting new phase.

2Faced Dance is one of the UK's leading dance companies and is based in Herefordshire. It produces work that tours nationally and internationally to venues, festivals, arts centres and theatres. The company fuses break, street and contemporary dance together and the work it produces is incredibly physical, demanding and challenging. 2Faced Dance also has an established education department and this currently makes up a large section of the company's work. With a regular community, youth and schools programme in Herefordshire as well as a one off workshop programme across the UK the education department is at the heart of the company's ethos.

From April 2012 – 2015 2Faced Dance will become part of the Arts Council National Portfolio receiving three years of regular funding.

2Faced Dance Company's board meets quarterly with meetings held in either Birmingham, London or Hereford (depending on the makeup of the board)
