

CENTRE FOR MOVEMENT

VENUE & SPACE HIRE

WHY THE CENTRE FOR MOVEMENT?

The Centre for Movement's doors are open and we're inviting you to make yourself at home with two large and well equipped studios, a professional meeting room, and office space for hot desking.

Hire a space for just an hour, or stay with us for the whole day - we can take bookings for one-off events or regular use.

The building is home to our team at 2Faced Dance. We're artists and a business too, so we understand how difficult it can be to find an affordable working space. That's why our studios are subsidised to be as accessible to working, independent artists as possible.

Located in Hereford's historic city centre, the Centre for Movement is in an ideal location, just a short walk from the bus and train stations and next door to Gaol Street Car Park.
